LUIZ MARQUEZ

Luiz Márquez is a composer and founder of the musical Mezcal movement, which is inspired by the power of nature through Ethno-Jazz. This movement gives a completely new timbre to “world music”. For the Culture Week, we get to see an impressive trio that consists of three nationalities:

Luiz Márquez (Mexico) flutes, sax and harmonica. Cachi Acosta (Cuba) percussion and Eduardo Vega (Chile) guitar.

Let yourself be carried away by this virtuoso trio.
Don't miss it!
